

Women in Technology Scholarship

2019 Application

Women in Technology Scholarship General information

General Information

The world economy, industry and sciences are becoming increasingly digitized, and these developments are disrupting society and familiar social processes. Women, however, are still largely underrepresented in technology and other STEM fields. To create a world in which men and women have equal opportunities, women need to have an active role in technology and technological developments. Zonta International is pleased to offer its new Zonta International Women in Technology Scholarship to encourage women to pursue education, career opportunities and leadership roles in technology

Local Zonta Club Offenburg-Ortenau scholarship

The Zonta Club Offenburg-Ortenau is committed to a targeted promotion of highly qualified women in technical masters programs with a relatively low female quota and presents two science scholarships of the Zonta Förderverein Offenburg-Ortenau e.V.

Annually two scholarships are given to female technical master students of the University of Applied Sciences Offenburg - each to the value of 1500 Euros.

The scholarship is paid per semester in three money payments granted to 500 Euros each..

Admitted course of studies:

- Communication and Media Engineering EMI
- Elektrotechnik / Informationstechnik EIM
- Informatik INFM
- Power and Data Engineering PDE
- Maschinenbau / Mechanical Engineering MME
- Energy Conversion and Management ECM,
- Process Engineering MPE

Zonta International Program, Funded through the Zonta International Foundation

In addition, Zonta International also grants scholarships worth up to \$ 8,000 to encourage women to further educate themselves, take advantage of career opportunities, and take leadership positions in technology

Zonta International offers up to 32 scholarships of US\$2,000 each at the district/region level and six international scholarships in the amount of US\$8,000 each.
